

Accessibility statement for the Enabling Town Slough website

This website is run by Slough Borough Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

How accessible this website is

We know some parts of this website are not fully accessible:

- the text will not reflow in a single column when you change the size of the browser window
- you cannot modify the line height or spacing of text
- most older PDF documents are not fully accessible to screen reader software
- live video streams do not have captions

- some of our online forms are difficult to navigate using just a keyboard
- you cannot skip to the main content when using a screen reader
- there's a limit to how far you can magnify the map on our 'contact us' page
- decorative elements on the website may not have a sufficient colour contrast ratio

What to do if you cannot access parts of this website

If you need information on this website in a different format like accessible PDF, large print, easy read, audio recording or braille:

- email Natasha.Berthollier@berkshire.nhs.uk
